Topic	Comments/Discussion	Action
Approval of minutes	No Changes	Approved
General discussion/announcements	Eric noted that the two vetting documents are out and will be closing next Tuesday and we will be able to review this next meeting.	
Old business	Possible discussion on AGT	
New business	<p>Combined Degree programs was reviewed by Nancy – one with EXS and Speech Pathology are two programs looking at this. Because we don't have any program like this, we need to do a program and policy for this process. The unique pieces are that student would get more graduate courses during the UG term.</p> <p>Discussion also was brought up about FA concerns and if it will cause more hardships on a student who is from a lower poverty level.</p>	Nancy brought this to the EPC committee that we need to beginning looking at this because two programs want to do this.

	There was a lot of conversation about this and how the master work might be applied to the UG programs.	
	Carol worked to clarify that these programs are clearly a different program.
