

SLOs: issue of printing in the catalog etc.
FS Chair meeting with Dr. C. Van Der Karr and Dr. G. Levine
4/9/18

- a. What will be the process by which SLOs will be put in the catalog?
- b. If an SLO needs to be changed without changes in curriculum what is the process?
- c. Will the CCRC be responsible for approving SLOs for program when changes are submitted?
- d. What year will SLOs be published?
- e. Is it possible to have a generic statement about SLOs in the handbook that refers to department web-pages and have the SLOs house on the department web pages so they can be edited more easily (or should we include a disclaimer)?

*****Carol agreed to take the suggestions/questions above to the SLO committee.***
