

## Transfer Planning Sheet (SUNY Broome) Business Economics (BUSE)

The following SUNY Cortland courses are recommended by the department to complete prior to transfer. The transfer credit limit from a 2-year college is 64 credits. All classes are three (3) credits unless otherwise noted. [SUNY Transfer Path](#) courses are underlined and notated in blue. Transfer students who have completed SUNY General Education prior to attending SUNY Cortland will have met their General Education requirements at SUNY Cortland.

SUNY General Education/Cortland Degree Requirements (33-34 credits)                      Course I will complete at my current college:

## Business Economics

### School of Arts and Sciences

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.
- **Students can choose to add a concentration to this program.** You can choose from International Business Economics, Human Resource Management, Financial Management, or Environmental Management. Only Bachelors of Arts (BA) students can add the International Business Economics concentration due to the increased foreign language requirement.
- If you plan to transfer before you complete your associate's degree, you can still earn your degree via [Reverse Transfer](#).

## About Business Economics

You'll integrate economic theory and applied economics with an emphasis on management with this unique among SUNY institutions degree. Your course work will be typical of a traditional business administration major but with an emphasis on the development of both technical and analytical skills in a strong liberal arts context.

## Career Potential

- Economic consultant
- Management
- Entrepreneur
- Policy analyst

## What Will I Learn?

- International trade and finance
- Economic development
- Money and banking
- Environmental economics
- Government spending
- Globalization
- The importance of politics and our economy

## Applying to Cortland

- SUNY Cortland accepts the Common Application and the SUNY Online [application](#). Choose just one way to apply; both require a \$50 non-refundable application fee.
- If you apply to Cortland using the SUNY application, SUNY will waive the \$50 application fee for transfer students graduating with an associate degree from a SUNY or CUNY college, who apply directly to Cortland for baccalaureate programs.
- Fall applicants should apply by March 1. Spring applications should apply by November 1.
- After [applying](#), students must send transcripts from all colleges attended and a high school transcript.
