

## Transfer Planning Sheet (SUNY Broome) Community Health (CHEA)

The following SUNY Cortland courses are recommended by the department to complete prior to transfer. The transfer credit limit from a 2-year college is 64 credits. All classes are three (3) credits unless otherwise noted. [SUNY Transfer Path](#) courses are underlined and notated in blue. Transfer students who have completed SUNY General Education prior to attending SUNY Cortland will have met their General Education requirements at SUNY Cortland.

### SUNY General Education/Cortland Degree Requirements (31 credits)

### Course I will complete at my current college:

# Community Health

## School of Professional Studies

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.
- **Students can choose to add a concentration to this program.** Students can choose from Allied Health; College Health Promotion and Prevention Services; Environmental Health; Health Care Administration and Planning; Health Communication; International Health; or Wellness and Health Promotion.
- If you plan to transfer before you complete your associate's degree, you can still earn your degree via [Reverse Transfer](#).

## About Community Health

Develop the skills and background required for positions in a variety of health professions and for admission into advanced degree programs. Choose from a number of concentrations to help you meet specific career goals. Our well-developed internship program and independent study options have lead graduates to work in a wide range of health and educational settings. Prepare for post-graduate programs in areas such as medicine, dentistry, physical or occupational therapy and chiropractic medicine by combining health education with the concentration in allied health.

## Career Potential

- Community health educator
- Public health
- Environmental health specialist
- College health promotion specialist
- Wellness health promotion specialist
- Health administrator
- International health promotion

## What Will I Learn?

- This major will prepare you to work with
- Individuals, groups and families
- Health-related organizations (e.g. American Cancer Society)
- University based health services
- Wellness centers
- Employee health behavior programs at the local, state, or federal level

## Applying to Cortland

- SUNY Cortland accepts the Common Application and the SUNY Online [application](#). Choose just one way to apply; both require a \$50 non-refundable application fee.
- If you apply to Cortland using the SUNY application, SUNY will waive the \$50 application fee for transfer students graduating with an associate degree from a SUNY or CUNY college, who apply directly to Cortland for baccalaureate programs.
- Fall applicants should apply by March 1. Spring applications should apply by November 1.
- After [applying](#), students must send transcripts from all colleges attended and a high school transcript.
