

Transfer Planning Sheet Community Health (CHEA)

The following SUNY Cortland courses are recommended by the department to complete prior to transfer. The transfer credit limit from a 2-year college is 64 credits. All classes are three (3) credits unless otherwise noted. [SUNY Transfer Path](#) courses are underlined and notated in blue. Transfer students who have completed SUNY General Education prior to attending SUNY Cortland will have met their General Education requirements at SUNY Cortland.

Electives (8 credits)

Total: 64

Community Health

School of Professional Studies

The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate [Catalog](#).
- Use the [transfer equivalency tables](#) to choose equivalents at your transfer college.
- **Students can choose to add a concentration to this program.** Students can choose from Allied Health; College Health Promotion and Prevention Services; Environmental Health; Health Care Administration and Planning; Health Communication; International Health; or Wellness and Health Promotion.
- If you plan to transfer before you complete your associate's degree, you can still earn your degree via [Reverse Transfer](#).

About Community Health

Develop the skills and background required for positions in a variety of health professions and for admission into advanced degree programs. Choose from a number of concentrations to help you meet specific career goals. Our well-developed internship program and independent study options have lead graduates to work in a wide range of health and educational settings. Prepare for post-graduate programs in areas such as medicine, dentistry, physical or occupational therapy and chiropractic medicine by combining health education with the concentration in allied health.

Career Potential

- Community health educator
- Public health
- Environmental health specialist
- College health promotion specialist
- Wellness health promotion specialist
- Health administrator
- International health promotion

What Will I Learn?

- This major will prepare you to work with
- Individuals, groups and families
- Health-related organizations (e.g. American Cancer Society)
- University based health services
- Wellness centers
- Employee health behavior programs at the local, state, or federal level

Applying to Cortland

- SUNY Cortland accepts the Common Application and the SUNY Online [application](#). Choose just one way to apply; both require a \$50 non-refundable application fee.
- If you apply to Cortland using the SUNY application, SUNY will waive the \$50 application fee for transfer students graduating with an associate degree from a SUNY or CUNY college, who apply directly to Cortland for baccalaureate programs.
- Fall applicants should apply by March 1. Spring applications should apply by November 1.
- After [applying](#), students must send transcripts from all colleges attended and a high school transcript.
