

# Directory of Off-Campus Instructional Locations 2019-2020

for SUNY COLLEGE - CORTLAND

(Bedcode: 110200543870)

This form must be completed for each main and branch campus concerning all off-campus instructional locations associated with each such campus. Please report all Extension Centers, Extension Sites, and locations falling under Commissioner Exception.

If there are no off-campus instructional locations associated with a main or branch campus, please select 'No' for the first question on the form 'Does this campus have off-campus instructional location?' and save and submit the data for that campus.

Please see the complete instructions (<http://www.nysed.gov/information-reporting-services/higher-education-data-collection-forms-and-instructions>) for more information.
