

The screenshot shows the 'Register for Classes' page. At the top, the SUNY Cortland logo is on the left, and the user's name 'Joe Suny' is on the right. Below the logo is a breadcrumb trail: 'Student > Registration > Select a Term > Register for Classes'. The main heading is 'Register for Classes'. There are three tabs: 'Find Classes' (selected), 'Enter CRNs', and 'Schedule and Options'. The 'Find Classes' section has a form titled 'Enter Your Search Criteria' with the term 'Fall 2021'. It includes input fields for 'Subject', 'Course Number', and 'Keyword', along with 'Search', 'Clear', and 'Advanced Search' buttons. Below this is a 'Schedule' section with a weekly grid for 'Class Schedule for Fall 2021'. The grid shows a green block for 'Commercial and Entrepren. Rec.' on Wednesday from 7pm to 9pm. To the right is a 'Summary' table with columns: Title, Details, Hour, CRN, Schedule, Status, and Action. The row shows 'Commercial and Entr...' with details 'REC 544, 0...', '3' hours, CRN '91173', 'Lecture' schedule, and 'Registered' status. At the bottom, there is a 'Panels' dropdown and a 'Submit' button.

Search or add CRNs in the top pane. You can easily switch between the two methods. In addition, you may select "Schedule and Options" to see scheduling details.

The sections you add using the tools above, will be shown in the visual weekly grid in the Schedule pane.

Use the [Panels] button to show or hide the bottom panels. Hiding the panels gives you additional room to view search results.

The top menu bar shows your name and profile information. Errors and notices will also be shown in this area.

View your registration status and make changes using the Summary pane.

Be certain to click the [Submit] button to register for your courses.
