

The Educating All Students (EAS) test is remeasures the professional and pedagogical knowledge and skills necessary to teach all students effectively in New York State public schools. The EAS consists of selected-response items and constructed-response items. Each constructed-response item will share scenario-based stimulus material with several selected-response items. A passing score on the EAS is required for teacher certification in NYS but not for graduation from SUNY Cortland. Candidates must score a minimum of 520 on a scale of 400-600 to pass.

Educating All Students (EAS) – SUNY Cortland results for three years 2020-21, 2021-21, and 2022-23.
